Re: *Boyce v. Weber*, Case No. 1:19-cv-03825-JMF

Dear Judge Furman:

Based on Plaintiff's request, Defendants seek permission from the Court to file portions of Defendants' Pretrial Motions and supporting documentation under seal. Defendants do not necessarily agree with Plaintiff's position, and reserve the right to seek to unseal such materials in the future.

Defendants thus request that the following materials in the Pretrial Motions be filed under seal and/or with redactions:

- (1) Excerpts from depositions relating to medical care or treatment of the Plaintiff and non-parties;
- (2) Dr. Ho's expert report on Plaintiff; and
- (3) Nude photographs of the Plaintiff and non-parties.

Per this Court's Electronic Filing Rules & Instructions, Counsel for Defendants will file the subject documents under temporary seal and relate them to this Motion. Counsel for Defendants will also publicly file said materials with redactions.

Per this Court's Local Rules and the governing authority, *e.g.*, *Lugosch v. Pyramid Co. of Onondaga*, 435 F.3d 110 (2d Cir. 2006), Defendants respectfully request this Court permit Defendants to file their Pretrial Motion memorandum of law redacted and with certain documents under seal.

Respectfully Submitted,

/s/ Daniel L. Brown
